

Campbell Avenue Business Partnership

Membership Form

These are just a few things that the Campbell Avenue Business Partnership has accomplished recently:

- The *CampbellAvenue.com* website is up and running! All businesses on Campbell Avenue between Grant and Ft. Lowell are listed and identified. Members of the Partnership are able to post a picture of their business, include a link to their website, as well as have a 20 word description.
- Approximately one million dollars in local, state and federal grant monies were approved for enhancement on our Avenue. Representatives from our Partnership are on the Citizen's Advisory Committee for this project. Sidewalks and landscaping are on the horizon in the next few years.
- Campbell Avenue is listed as a shopping district in many publications, including the Tucson Official Visitors Guide, Tucson's Destination Planning Guide, Tucson Lifestyle magazine and more.
- Continuing to work together with the Ward III office as the eyes and ears of the corridor.

Please be sure to join the Campbell Avenue Business Partnership!
